

18th Munich Muscle Meeting November 7th 2024 at 15.45

Venue: Max-Planck-Institute of Biochemistry

Am Klopferspitz 18, 82152 Martinsried

T building, Kleiner Hörsaal 1st floor

PROGRAM

15.45 Get together and refreshments

16:00 Welcome

16:05 **Keynote Lecture. Marco Sandri** (University of Padova, Italy) "Cancer induced cachexia: from pathogenic mechanisms to RNA-based therapeutic approach?"

16:40 Discussion

16:50 **Hanseul Oh** (Friedrich-Baur-Institute, LMU Munich) "Comparative metabolic defects in muscular dystrophies"

17:05 Discussion.

17:10 **Vincent Albrecht** (MPI of Biochemistry, Martinsried) "Plasma proteomics unveils physiological extremes of human biology"

17:25 Discussion

17:30 **Silvia Würtenberger** (PreOmics) "Innovative proteomic sample prep solutions to power up your muscle studies"

17:40 **Hanna Taipaleenmäki** (LMU Munich) and **Henning Wackerhage** (TU Munich) "DFG-funded HyperMet research unit. Effects of muscle hypertrophy and atrophy on metabolic health"

17:55 Discussion

18.00 Wrap up and closure

Around 18.30 after the meeting we plan to have a few beers together at the Gasthaus zum Erdinger Weißbräu (close to Ubahn station Grosshadern). Please contact the organizers if interested

Way to the Max Planck Institutes of Biochemistry Martinsried

Max-Planck-Institut of Biochemistry

Am Klopferspitz 18
82152 Martinsried
Tel.: +49 89 8578-0
Fax: +49 89 8578-3777
<http://www.biochem.mpg.de>
<http://www.neuro.mpg.de>

from Munich Central Station to the institutes:

U-Bahn

take the "U-Bahn" U1 or U2 to **Sendlinger Tor**, change into the U6 up to the final stop **Klinikum Großhadern**. From there you can take the **bus 266** (direction Planegg or Max-Planck-Institute) and leave at the stop **Max-Planck-Institute**. Alternatively you can walk about 15 minutes from „Klinikum Großhadern“ (see Map).

Alternative route/ S-Bahn:

Take the "S-Bahn" S6 (direction Tutzing or Starnberg) to **Planegg**. From there change to **bus 266** (direction Klinikum Großhadern) and leave at the stop **Max-Planck-Institute**.

Free registration
