Konferenzbeiträge

Vorträge

2023 (invited)

Keynote. Gesundheitskompetenz als "sozialer Impfstoff" in Zeiten der Pandemie [Health Literacy as Social Vaccine in times of pandemics]. GesundheitsDialog: "Gesundheit kommunizieren – welche Wirkung haben gesundheitsbezogene Medieninhalte?". Volkshochschule (VHS) München (Munich Adult Education Association). 25 February 2023.

2022 (eingeladen)

Presentation: Health literacy in childhood and adolescence. TUM Lecture Series. Munich. 7 December 2022.

2022 (eingeladen)

Presentation: Health literacy. Parlamentarisches Frühstück im Bayerischen Landtag [Parliamentary breakfast at the Bavarian State Parliament]. Gesundheit hoch 3 – Wie gelingt die Verknüpfung von Gesundheitsförderung, -kompetenz und -kommunikation? [Health³ - How to link health promotion, health literacy and health communication?]. Kooperationsverbund Gesundheitliche Chancengleichheit (Cooperation Consortium Health Equity). 20th anniversary meeting. Berlin. 23 November 2022.

2022 (eingeladen)

Presentation: Health literacy. Parlamentarisches Frühstück im Bayerischen Landtag [Parliamentary breakfast at the Bavarian State Parliament]. „BKK Impulse: Mit Gesundheit in den Tag“ [BKK Impulses: healthy through the day]. BKK Landesverband Bayern. Munich. 30 November 2022.

2022 (eingeladen)

HARC Carbone

2022 (eingeladen)

HARC Levin-Zamir

2022 (eingeladen)

Keynote. Gesundheitskompetenz: Eine Einführung [Health literacy: an introduction]. Verleihung des Steirischen Qualitätspreis Gesundheit – „SALUS“ [Award of the Styrian Quality Prize for Health – „SALUS“]. Gesundheitsfonds Steiermark. Universität Graz, Österreich. 20. Oktober 2022.

2022 (eingeladen)

Keynote. Gesundheitsförderung und psychosoziale Gesundheit in der Schule: Beiträge der Gesundheitskompetenz [Health Promotion and mental health literacy in schools: contribution of health literacy]. Netzwerktagung: Kompetenzen für mehr psychosoziale Gesundheit im System Schule [Network conference: competencies for more mental health literacy in the school system]. Bundesministerium für Bildung, Wissenschaft und Forschung (BMBWF) Österreich. 18. Oktober 2022.

2022 (eingeladen)

Keynote. Health literacy in schools: a much needed approach to improving health and well-being in the 21st century. 8th AHLA International Health Literacy Conference. Asian Health Literacy Association (AHLA). Changhua, Taiwan, 27-29 October, 2022.

2022 (eingeladen)

Keynote. Gesundheitskompetenz stärken - die Rolle der Bildung und Gesundheitskommunikation [Strengthening health literacy – the role of education and health communication]. Fachtagung: Miteinander ins Gespräch kommen – Gesundheitskommunikation vor Ort [Symposium: Engaging in conversation - health communication on the ground]. Pakt für Prävention, Hamburger Landesprogramm für Gesundheitsförderung und Prävention Hamburg, 29. September 2022.

2022 (eingeladen)

GeKoOrg-Schule. Vortrag aus dem Forschungsprojekt [HeLit-Schools. Presentation from the research project]. Fachtagung „Gesundheitskompetenz 2022“ und Sitzung der „Allianz für Gesundheitskompetenz“ [Symposium „Health Literacy 2022“ and meeting of the „Alliance for Health Literacy“]. Bundesministerium für Gesundheit (BMG). Berlin, 14. September 2022

2022 (eingeladen)

Keynote. Gesundheitskompetenz: Einblicke und Ausblicke in die Forschung [Health literacy: insights and perspectives on research]. Promotionsprogramm Chronische Erkrankungen und Gesundheitskompetenz [Phd program chronic diseases and health literacy]. Summer School. 1. & 2. August 2022, Hannover.

2022 (eingeladen)

Keynote. Improving Health Literacy in the Community for the Next Pandemic. Pre-Conference Public Seminar. Online at Hong Kong Baptist University, School of Continuing Education, Research Centre for Environment and Human Health. 7. Juni 2022.

2022 (eingeladen)

Keynote. Introduction to Health Literacy. GLOHRA Workshop on Health Literacy in Global Health. Online at TU Munich. German Alliance for Global Health Research (GLOHRA). 22. April 2022.

2022 (eingeladen)

Keynote. Health literacy in educational contexts: an asset for health promotion and achieving equity (together with Kevin Dadaczynski). International Collaboration Conference in Population Health. Swansea University, UK. 10. February 2022.

2021 (eingeladen)

Keynote. Health literacy – An empowering health promotion strategy to foster equitable population well-being, sustainably and globally. World Health Organization. Global Conference on Health Promotion 2021, Geneva.

2021 (eingeladen)

Gemeinsam Gesundheitskompetenz fördern – Wissenschaft und Praxis im Dialog (PartKommPlus, HLCA) [Promoting health literacy together - science and practice in dialogue]. Im Workshop: Interdisziplinäre Forschung und Transfer in Primärprävention und Gesundheitsförderung: Ergebnisse und Visionen der BMBF-Forschungsnetzwerke [Interdisciplinary Research and Transfer in Primary Prevention and Health Promotion: Results and Visions of the BMBF Research Networks]. 56. Jahrestagung der DGSMP. Das Soziale in Medizin und Gesellschaft – Aktuelle Megatrends fordern uns heraus, 23. September, 2021.

2021 (eingeladen)

Rising to the challenge of the COVID-19 Pandemic: Health Literacy, Health Information seeking and COVID-19 to inform future efforts connected to this field. International Webinar “Infodemic, misinformation, fake news, health literacy: an interdisciplinary perspective” during the European Public Health Week. Organized by Public Health and Wellbeing Observatory at Canterbury Christ Church University, May 17, 2021.

2021 (peer reviewed)

COVID-19 und Gesundheitskompetenz: Implikationen für Bildung und Schule [COVID-19 and health literacy: implications for education and schools]. Digitale Tagung der Gesellschaft für Empirische Bildungsforschung. Corona und Bildung – Herausforderungen und Chancen aus Sicht der Bildungsforschung [Digital conference of the Society for Empirical Educational Research. Corona and Education - Challenges and Opportunities from the Perspective of Educational Research]. 22. & 23. April 2021.

2021 (eingeladen)

Keynote. Health Literacy in Schools. United Kingdom Health Literacy Conference 2020: Newcastle University. April 2021.

2021 (eingeladen)

Keynote. Gesundheitskompetenz – eine gesamtgesellschaftliche Herausforderung [Health literacy - a challenge for society as a whole]. Online-Bundesfachkonferenz Gesundheit: vhs Gesundheitsbildung – Im Spagat zwischen

individuellen Lernwünschen und gesellschaftlichem Auftrag [Federal Online Conference on Health vhs Gesundheitsbildung - In the balancing act between individual learning desires and societal mandate]. 26. Januar 2021.

2021 (eingeladen)

Workshop. Gesundheitskompetenz als Ziel der Gesundheitsbildung [Health literacy as a target of health education]. Online-Bundesfachkonferenz Gesundheit vhs Gesundheitsbildung – Im Spagat zwischen individuellen Lernwünschen und gesellschaftlichem Auftrag [Federal Online Conference on Health vhs Gesundheitsbildung - In the balancing act between individual learning desires and societal mandate]. 26. Januar 2021.

2020 (eigene Veranstaltung)

Keynote. Gesundheitskompetenz und Schule in Zeiten digitaler Bildung [Health Literacy and School in Times of Digital Education]. Gemeinsame Veranstaltung der Universität Bielefeld, Hochschule Fulda, Hertie School Berlin und des Helmholtz Zentrum München. Gründung der „Allianz Gesundheitskompetenz und Schule“. 25. November 2020, Berlin.

2020 (eingeladen)

Keynote. Health literacy in Schools and Education. Schools for Health in Europe Network Foundation (SHE): SHE Academy. November 2020.

2020 (eingeladen)

Keynote. Health literacy: Research, Practice and Policy. Schools for Health in Europe Network Foundation (SHE): SHE Academy. November 2020.

2020 (eingeladen)

Die Rolle der Gesundheitskompetenz in der Gesellschaft für den Umgang mit Informationen zu Covid-19 [The role of health literacy in the community for the management of Covid-19 information.]. Online Vortragsreihe am Leibniz-Institut für Präventionsforschung und Epidemiologie - BIPS: Forschungsnetzwerk Primärprävention und Gesundheitsförderung. COVID-19 und die Bevölkerung - Von Risikowahrnehmung, Schutzverhalten und Gesundheitskompetenz. 27. Oktober 2020.

2020 (peer reviewed)

COVID-HL Consortium: Introduction. Panel Symposium: The COVID-HL Consortium: Overview and Results Around Digital Health Literacy in University Students from an International Network of Partners from 44 Countries. Workshops, Symposien, Panels (als Organisator)

2022 Workshop at 15th European Public Health Conference
Promoting and enhancing health literacy through school interventions
9-12 November 2021.

2022 Workshop at 15th European Public Health Conference
National and European studies on health literacy in children and adolescents
9-12 November 2021.

2022 Round Table at 15th European Public Health Conference
Health literacy and vaccine literacy as determinants of vaccine acceptance: a critical discussion.

9-12 November 2021.

- 2022** Workshop at 15th European Public Health Conference
School health during the COVID-19 Pandemic. Perspectives from the COVID-HL school principal study
9-12 November 2021.
- 2022** HARC XIV Conference
Digital Health Literacy Intervention in Context – Challenges, Standards, Best Practice and Measures
Virtual Conference 24-25 October 2022
- 2022** Workshop at 8th AHLA International Health Literacy Conference.
Digital health literacy: interventions and social resilience
Asian Health Literacy Association (AHLA). Changhua, Taiwan, 27-29 October, 2022.
- 2022** Webinar during the European Public Health Week | organized by EUPHA
Measuring Health Literacy in Children and Adolescents
16 May 2022
- 2022** Webinar during the European Public Health Week | organized by EUPHA
Health Literacy Interventions in Schools
16 May 2022
- 2022** World Café at 24th IUHPE World Conference on Health Promotion and Education Contributions of salutogenesis and health literacy for equitable policy making: the cases of Covid-19, migration and planetary health – a world café
15-19 May 2022 (virtual/ hybrid event)
- 2022** Plenary Symposium at 24th IUHPE World Conference on Health Promotion and Education
Health Literacy for building Public Trust; implications for innovation, policy and equity
Global Working Group on Health Literacy in partnership with
GWG - Waiora Planetary Health and South West Pacific Region and NARO
15-19 May 2022 (virtual/ hybrid event)
- 2022** Workshop at 24th IUHPE World Conference on Health Promotion and Education
Digital health literacy, health promotion and policy – challenges and opportunities from a global perspective
15-19 May 2022 (virtual/ hybrid event)
- 2022** Workshop at 24th IUHPE World Conference on Health Promotion and Education
Organizational Health Literacy in the School Setting: Health Literate Schools (HeLit-Schools)
Global Working Group on Health Literacy in partnership with
GWG - Waiora Planetary Health and South West Pacific Region and NARO
15-19 May 2022 (virtual/ hybrid event)
- 2022** Workshop at 24th IUHPE World Conference on Health Promotion and Education
Health literacy of school principals and its relation to school health promotion and prevention: results from a global online survey during the COVID-19 pandemic
15-19 May 2022 (virtual/ hybrid event)
- 2022** Workshop at 24th IUHPE World Conference on Health Promotion and Education
Digital health literacy of university and college students: a global online survey in 40 countries during the COVID-19 pandemic
15-19 May 2022 (virtual/ hybrid event)
- 2022** Workshop at 24th IUHPE World Conference on Health Promotion and Education
Work related stress and strain of school principals: Results from the international COVID-HL survey
15-19 May 2022 (virtual/ hybrid event)

- 2021** Round Table at 14th European Public Health Conference
European experiences on infodemic management
10-12 November 2021. Virtual Conference. <https://doi.org/10.1093/eurpub/ckab164.567>.
- 2021** Workshop at 14th European Public Health Conference
Health literacy in childhood and adolescence (HLCA): A focus on health literacy in schools. Workshop
10-12 November 2021. Virtual Conference. <https://doi.org/10.1093/eurpub/ckab164.140>
- 2021** Workshop at 14th European Public Health Conference
COVID-HL: A global survey on digital health literacy in university students during the pandemic
10-12 November 2021. Virtual Conference. <https://doi.org/10.1093/eurpub/ckab164.036>
- 2021** Symposium at the 1st Global Health Literacy Summit of the IHLA
Health literacy in schools – How education can contribute to sustainable development of health literacy.
Symposium of the IHLA Interest Group Health Literacy in Schools. International Health Literacy
Association (IHLA). Global Health Literacy Summit 3 to 5 October 2021. Virtual Conference.
- 2021** Workshop at the 1st Global Health Literacy Summit of the IHLA
Main Findings of the COVID-HL Network: A Global Population-based Survey on Digital Health Literacy in
University Students. International Health Literacy Association (IHLA). Global Health Literacy Summit 3 to
5 October 2021. Virtual Conference.
- 2021** Workshop at the 1st Global Health Literacy Summit of the IHLA
HLS-COVID-19: A representative trend study on COVID-19-specific health literacy in three European
countries. International Health Literacy Association (IHLA). Global Health Literacy Summit 3 to 5 October
2021. Virtual Conference.
- 2021** Workshop at the 1st Global Health Literacy Summit of the IHLA
Managing the COVID-19 Infodemic with Health Literacy Strategies. Affiliate Session with World Health
Organization and European Centers for Disease Prevention and Control. International Health Literacy
Association (IHLA). Global Health Literacy Summit 3 to 5 October 2021. Virtual Conference.
- 2020** Workshop: Gesundheitskompetenz und Schule in Zeiten digitaler Bildung. Gemeinsame Veranstaltung der
Universität Bielefeld, Hochschule Fulda, Hertie School Berlin und des Helmholtz Zentrum München.
Gründung der Allianz Gesundheitskompetenz und Schule“. 25. November 2020, Berlin. (als virtueller
Workshop)
- 2020** Workshop at the Schools for Health in Europe Network Foundation (SHE) Academy 2020. Workshop for
early career researchers and policy-makers from health and education organizations across Europe.
November 2020
- 2020** Panel Symposium HARC Conference 2020
COVID-HL Consortium – Introduction | Overview and Results Around Digital Health Literacy in University
Students from an International Network of Partners from 44 Countries. Health Literacy Research
Conference (HARC): Integrated Health Literacy (Research/ Practice/ Policy) Virtual conference | Health
Literacy in Action. October 21, 2020, Boston, Maryland, USA.
