

## Information about the 1st semester

### M.Sc. Sport and Exercise Science

Good to know...

- In the first semester in the study plan there are the following courses:
  - **Biomechanics, Human Movement and Neuromechanical Control (5 Credits)**  
Course Number\* (lecture): 8610010000; Course number (lecture): 8610010001; Course number (lecture): 8610010002; Course number (seminar): 8610010003; Course number (seminar): 8610010004; Course number (seminar): 8610010005
  - **Current Topics in Exercise Biology, Performance testing and Health (5 Credits)**  
Course Number (lecture): 8610020000; Course number (seminar): 8610020002; Course Number (lecture): 8610020001; Course number (seminar): 8610020003
  - **Current Social And Political Topics Of Sports in Global Societies (5 Credits)**  
Course number (lecture): 8610030000; Course number (seminar): 8610030001
  - **Study Design, Ethics (5 Credits)**  
Course number (lecture): 8100020000; Course number (seminar): 8100020001
  - **Technical Analysis (5 Credits)**  
Course Number (seminar): 8610210000
  - **Entrepreneurial Opportunity Development (5 Credits)**  
Course Number (lecture): 0000001098
  
- If you don't take all the intended courses in the first semester (or you don't pass the exam), you have to pass at least **one** of the following modules **by the end of the second semester**:
  1. Biomechanics, human movement and neuromechanical control (5 Credits)
  2. Current topics in exercise biology, performance testing and Health (5 Credits)
  3. Current social and political topics of sport in global societies (5 Credits)
  4. Study Design, Ethics (5 Credits)
  5. Technical Analysis (5 Credits)
  6. Entrepreneurial Opportunity Development (5 Credits)
  
- **Further, you have to watch out, that you have earned a minimum of 30 Credits by the end of the third semester**, see general academic and examination regulations for Bachelor's and Master's Programs (APSO, §10).

**Buddy Program:** We would like to support our new international students in this unfamiliar situation to get in touch with their fellow students and to network with each other. Therefore we offer a Buddy Program, where you will get in contact with a student of the higher semester, who will be available for questions concerning the entry into the study and the student life. If you are interested, please contact us by email at [buddy.sg@tum.de](mailto:buddy.sg@tum.de)

\*The Course Number you can find in TUMonline to choose the courses. Further, you have to **register to the courses** in TUMonline!
